ECRR

European Centre for River Restoration

State of the art

ECRR secretariat, e-mail: ecrr@ecrr.org, www.ecrr.org

Future of the ECRR

Website: www.ecrr.org

AIMS OF ECRR

- support the development of river restoration;
- Make RR an integral part of sustainable water management (IWRM) and WFD
- Connect people and organisations working on river restoration.

ECRR STRATEGY

- Facilitates networking;
- Organises conferences, study tours, training courses, workshops etc.
- Facilitates access to RR information by a website and newsletters.

TRANSFER OF SECRETARIAT

- the secretariat from the end of this year will be held for the next three years by **CIRF** Italian Center of River Restoration
- supported by **Italian Ministry of Environment**

NEW ACTIVITIES

- CASE STUDY: collection/exchange of experiences;
- TOOL KIT: Develop a Digital Manual of "Good Practice" for Ecological River Restoration in collaboration with UK Environmental Agency;
- Support national network on RR
- Organisation of a International RR Conference (2007-2008)
